- The participant must respect the Italian law against "mafia";
- Companies must have the financial means to execute the project and a potential to use the results.

Italian National Rules

2. Participation criteria

c) Financial conditions

For any private entity, the following financial criteria, calculated using the data reported in the last approved balance sheet, must be fulfilled

$$\mathbf{CN > (CP - I)/2}$$

CN = net assets (Capitale netto)

CP = sum of the costs of all the projects for which public funding has been requested by the participant during the year

I = sum of the contributions received, approved or requested for the same projects

$$\mathbf{OF/F < 8\%}$$

Where: OF = financial charges (Oneri finanziari); F = turnover (Fatturato)

Italian National Rules

2. Participation criteria

d) Additional national documents

All Italian participants must send to MIUR a set of additional national documents as defined in the “**Avviso integrativo nazionale**”.

Any participant who does not send its national documents by the pre-defined deadline, will be considered ineligible.

All themes supported by the international call are eligible for funding.

National Rules

3. Funding criteria

Percentage of costs covered by national funding:
 Enterprises, and any other private organization,
